Annual Fund

The North Carolina A&T State University Annual Fund is the yearly appeal A&T makes to all alumni, parents, and friends for unrestricted funds that can be used immediately to meet the University's most important needs and opportunities -- including support for existing scholarship programs; financial assistance to needy students; student activities; faculty and staff development.

For decades, North Carolina A&T State University has relied on the support and generosity of alumni, parents and friends. Gifts usually represent 2% to 5% of the individual giver's annual income and have a direct impact on the quality of a North Carolina A&T education. Some give because they want to give something back to the university that made a difference in their educational or professional success. Some give because they want to make a difference in the lives of other students, and some give as a personal challenge to or from their peers. Whatever the reason, giving is one of the best ways for alumni and friends to ensure that our legacy continues for generations to come.
